Assembly & preparing for use

Before use, peel off the protective plastic film from the three shelves. One white linen bag is supplied with your trolley. Before fitting check the colour coding scheme in use at your premises.

Locate your trolley according the good hygiene practices, away from areas sensitive to contamination.

Using your Trolley: Do's & Don'ts

- DO** ensure you read these instructions and fully understand them before using your trolley.
- DO** follow good practices for handling both clean and soiled linen.
- DO** ensure the trolley is cleaned on a regular basis
- DO** check the specific bag colour scheme in use at your premises.

DO NOT allow any part of the fabric to come into contact with a naked flame or excessive heat source.

Care and maintenance

Clean the frame using a slightly moistened cloth, with a mild detergent. It is not recommended to use any bleach or surface cleaner that may scour the painted surface.

Bags

Available in the colours:- White, Green, Blue and Red.

IMPORTANT - Before use check the colour coding scheme in use at your premises.
